

# SERMON DISCUSSION QUESTIONS

"You Are Loved"

Pastor Dan Chun

THE WEEK OF SUNDAY, April 8, 2007

**Happy Easter!**

**Read John 20: 1-18**

**Getting Started:**

1. Was there anything in the sermon that personally spoke to you or was challenging for you to hear? Explain why.

**Discussion Questions:**

2. As stated in verses 8&9, even the disciples had to "see" the empty tomb to believe Jesus had risen. Why was it so difficult for them to understand the scripture and what Jesus himself told them would happen? What are some areas or parts of following Jesus that are still challenging for you to believe?
3. If you were writing the story of Jesus, how might you have ended it differently?
4. Does it matter that Jesus rose from the dead? Why or why not?
5. Do you find the world to be full of negativity? If yes, in what ways have you experienced it and how has it influenced you?
6. How do you feel about the idea that Jesus paid the price for all sin—including yours—and that he died for you?
7. In your opinion, what was Jesus Christ's ultimate reason for coming to this world? What is the message we receive at Easter?

**Challenge Question:**

Out of all of the world religions to choose from, why have you chosen to seek or follow Jesus?
